

Abstract Submission

Closed on April 9, 2023

The **American Association of Bronchology and Interventional Pulmonology** (AABIP) is calling for scientific abstract submission for its annual meeting to be held **August 24 to 26, 2023 at the Sheraton Grand Chicago Riverwalk in Chicago, Illinois**. The premier conference for interventional pulmonologists, advanced bronchoscopists, pleural experts and other interested health care professionals aims to gather leading clinicians, scientists, and educators to exchange ideas and discuss research on all aspects of Interventional Pulmonology and Advanced Bronchoscopy. It also provides an ideal platform for all participants to present and discuss the latest technologies, research trends, as well as practice innovations to advance the field and better patient care. **Abstract must be submitted online no later than April 9, 2023. Authors must be registered to attend this conference.**

Abstracts must be in the areas of:

- Pleural Disease
- Therapeutic Bronchoscopy
- Diagnostic Bronchoscopy
- Healthcare Transformation
- Thoracic Surgery
- Miscellaneous

There are **2 submission types** for research abstracts: **original research** and **case reports**. Original research abstracts should include the following sections: Background, methods, results, and conclusions. They should not exceed 400 words (excluding title and affiliations). Case reports should include introduction, case description and conclusion. They should not exceed 300 words. Please indicate the topic category that best fit your abstract: **Pleural Disease, Therapeutic Bronchoscopy,**

Diagnostic Bronchoscopy, Healthcare Transformation, Thoracic Surgery, or Miscellaneous.

Note that your contact information, including your Email, is necessary for us to consider your abstract.

- Accepted abstracts will submit a *virtual poster* in pdf format for the AABIP Annual Conference.
- Accepted abstracts will be published in an online supplement of the Journal of Bronchology and Interventional Pulmonology. ***Abstracts exceeding the word limit or formatted differently than as detailed above will be rejected. No more than 2 images and 1 table should be submitted.***
- Abstract submissions will be reviewed by the Abstracts Review Committee for acceptance.
- Abstract acceptance notifications will be sent to authors by email within 30 days after the submission deadline.
- The top three abstracts will be accepted for podium presentation and presenters will receive a research award from the AABIP.

Abstract format should include the following (400 words max. Authors information not counted):

1. Background
2. Methods
3. Results
4. Conclusion

No more than 2 images and 1 table should be submitted. (300 words max Authors information not counted)

1. Introduction
2. Case summary
3. Conclusion

No more than 2 images and 1 table should be submitted. Selected

abstracts will be displayed through a virtual poster hall during the AABIP 2023 Annual Conference to be held **August 24 to 26, 2023 at the Sheraton Grand Chicago Riverwalk in Chicago, Illinois**. Selected abstracts will also be published as an online supplement in the *Journal of Bronchology and Interventional Pulmonology* (JOBIP). Abstract presenter(s) must be registered to attend the AABIP 2023 Annual Conference and have their virtual e-posters submitted by July 16, 2023. More information to follow. Kindly review the submission instructions **thoroughly** to avoid the administrative withdrawal of your abstract. Ensure to provide a **working email address** for correspondence purposes. Submit your abstract in Word Document format and look out for a confirmation message indicating a successful submission. Please direct any inquiries or concerns to brittany.aabip@gmail.com and expect a response within 48 hours. **Only the official AABIP website is authorized for abstract submission.** [Submission Closed](#)
